

Dear Sutherland Bluff Plantation HOA Members,

Welcome to our community! You may already be familiar with our Governing Documents, if not, please find governing documents pertaining to our community online at:

<https://www.sutherlandbluff.net/governing-documents.html>

You are responsible to be familiar with them and abide by them.

Included here also is our Rules and Regulations and our Architectural Committee Guidelines.

The most popular inquiries include new home build information, and what paperwork to fill out for that, or any other exterior home project, even if you are replacing similar or same exterior items or colors.

No paperwork is required for tree trimming but is needed for any tree removal beyond what is acceptable in our governing documents (CCR's #31; p.9).

All home build projects, and exterior home improvement projects, begin at this time with the same form found on page #16 of the Architectural Guideline Packet.

Signed forms, with all supplemental information needed, can be uploaded in your Keystone Portal.

Please find additional information under the Architecture Tab on our website:

<https://www.sutherlandbluff.net/architecture.html>

Please sign and return this form to the HOA Secretary.

\*By submitting this form, I AGREE THAT

I will abide by the SBP Governing Documents:
